TERMS AND CONDITIONS:

- No responsibility is assumed for devices that have fallen on the ground or fallen into water.
- Our company does not bear any responsibility for damaged parts or malfunctions that may occur during repairs.
- After repair, it is your responsibility to check the function and condition of the device and take it with you.
- We are not responsible if things like phone numbers, pictures, videos, etc. on your phone are destroyed during the repair.
- Devices that delivered for repair must be taken within 21 days maximum. Our company does not take any responsibility for equipment that exceeds that time.
- No device will be returned without the receipt provided to you.
- If the repaired error occurs again, you must inform us, within two days.
